“ Roy was such a great person. Many times he would come by the house to see mom (Deloris Pope) In the early summer they set together on her porch and talked. I listen eagerly not knowing that in a few months mom would be dying from lung cancer.
gone in three months and then three months later her dear friend/cousin/neighbor would also be gone. Its a great loss for us all. But a even greater Gain for them for they are now with the Lord,creator of us all. God Bless and Be with you All.
Love you All.
