“ *My little buddy and one of my first Karate students and Blackbelts. So many GREAT memories of growing up playing every sport we could and some we even made up. Jimmy was good at all of them. My childhood wouldn't have been the same without Jimmy living across the road. God Bless my Hager family at a time I know you're hearts are broken.*

“ I would like to wish Jimmy's family the best of luck in the future and know he's looking down upon you all from heaven. He was a good man and friend to all that knew him no matter if you seen him today or if it was years between seeing each other. He had a great personality and was always looking to joke around. You'll be missed by all buddy. With love from your friend Magoo Dixon

“ I have been a part of the Hager family for almost 5 years now. I had no idea then how great of a family I was getting. I wish we had more time together to make more memories, but I will cherish the holidays spent at Nana and Pops. You made me feel loved and accepted from day 1, as did the rest of the Hager crew. Ethan loves you and Ivalean. He's a great man. You all had a hand in molding him into that. I will forever be thankful. When I told the kids the news, Dawson said, "Uncle Jim? The one who told me, "them look like good ears to me'?" Thats what you said when Ethan was telling him that you always liked to play with peoples ears. ❤️ You were a mountain of a man, even standing less than 6' tall. Your family misses you, your nephew misses you. Until we meet again, Love you.

“ *I love you Jim!*

So many things I can remember that melt my heart, make me laugh and even roll my eyes. That's the brother sister relationship! Jim has definitely always been a self made man that always put his family first and I have always admired that he was never afraid to take a challenge and reach towards his dreams. Our hearts will never be the same. This is a few things I remember...

He was scared of his shadow at times BUT LOVED to scare us girls! We watched Friday the 13th late one night so he thought it would be funny to put on ragged pants and knock on our bedroom door making the hahachacha sound!! Lord we were terrified but he had a blast with it!

One summer he was stung in the ear and of course the Hager ears are a bit on the large side BUT his ear was 5x the regular size so we called him DUMBO for days!

THE GREATEST OF ALL IS HOW HE HAS ALWAYS BEEN THERE FOR HIS FAMILY!!

Fly high bub!!

“ I remember Jimmy was so small when Raymond adopted me that we would bath him in the kitchen sink. But he was already bigger than life and wasn't afraid of anything except what was under the bed which he made everyone check before he would lay down at night then he would make me tell him stories until he fell asleep. We had it rough one Halloween Raymond was not working and we could not afford Halloween masks so mom come up with an idea of us putting stockings over our face so we could still trick-or-treat Shane and I were so embarrassed to wear them that we didn't get to go trick-or-treating but that didn't stop Jimmy he went right on, then when he got home he made sure to share every piece of candy he got with us he was a great brother and I loved him with all my heart and I always will.
