“ Jamie was a good friend. When we was young we seemed to get in all kinds of trouble. But we was just kids trying to find something to do. It has been a while since I saw him. The last time was about 4 or 5 months ago he stooped in to say hi. I could tell he was having some breathing problems. But it still never got his spirit down. I would like to quote a poem Wings by Tiffany Cooke to remember him by. "Spread your wings it's time to fly. Make the leap. Own the sky."
