“ This man was a great man. He use to tell me the only thing to do is first and foremost go to church and serve God. After my mother went to be with the Lord, he devoted his life to the Lord and that is all he talked about, when he would see her again down by the river. It is hard for me to understand right now but I put my faith and trust in God. He has a plan and Dad is part of his plan. Its hard for me to let go but I cant be selfish, I know he is in a much better place now. He has no more pain and suffering. Pray for my family its going to be hard, but it also rewarding to know he is with our heavenly father. Dad LOVE you and will miss you greatly LOVE your son James David.

“ Oh how we are going to miss our Dear Brother. He was such an honest and trustworthy friend. He always had a smile or something nice to say.. He always wanted us to sing his song, I Firmly Promise You. He told us many times that that was his testimony and he promised us that he would meet us in heaven wheather we went first or him. Rest easy our dear friend, we know you are now basking in the beauties of our Lord with your sweet Kaye. We Love you.
