“ Sweet Debby and your precious family, many thoughts and prayers are with you during this most difficult time. Lean on God and those around you for your strength and comfort for the days ahead. Jim selected the most wonderful helpmate long ago to share his life and dreams with. It doesn't seem that long ago when I visited you and Jim at your first house on Wickerfield! :) No doubts that he knows you will be honorable and forthright with your love and commitment to your boys.

*Our condolences,
Jeff and Sherry Meade*

But when the match/tournament was over we always greeted each other and shock hands.

So many people knew him and loved and respected him and he changed the direction of so many lives and made a significant difference to many. He will surely be rewarded for that. And more. “ Jim Matney was more than a coach. He was an inspiration, he was a mentor, and he was an example. He was a leader, he was a friend, he was a husband, he was a father, and he was a Christian. What was remarkable is he was able to do all those things with excellence. His legacy and impact will live on forever in the mountains he loved so much, but more importantly it will live on in the hearts of the people he loved even more. The world is a darker place today without this bright light. I loved him, I will miss him, and my whole heart and prayers are with Debby, Carson, and Dalton. I love you and I am praying for you every day.
