“ *I've known Jimmy all my life. We are 3 months apart. We were not just cousins we were friends. Sooo many memories, I can not pick just one. Riding the school bus together. Him beating me at Risk. We even mopped a dinning room floor together when we were 4. Not sure where our parents were, we made a mess. Water was everywhere.*

He got a screw driver set for Christmas one year, he was about 5. He took all the knobs off mom's cabinets. Glad she found them all. She made him reassemble them.

How about our trip to Kings Islands in Aunt Julia's car? She said that camarrow never ran the same after that.

Oh Jimmy...how we will miss you buddy.

I love ya Cuz... Your favorite cuz...Becky
