“ Uncle Jimmy, I always enjoyed spending time with you - even though the photographs would say differently. You were a kind & sweet man with a wonderful personality. The world feels very empty without you. Thank you for always making us feel loved & cared for. You will never be forgotten. Love, Nicole (Colebug)

“ Jimmy, thank you for the memories and smiles. Like the time you slept with your foot out the window after you stepped in a hole and it was actually broken! And when you joined our family and my grandparents on our adventurous trip to Florida. I'm happy you were part of John and mine and our kids lives. I love and miss you. “ Tabitha , I am so sorry for the loss of Jim and my condolences go out to you . Jim was a good man and loved you and his beloved mother . He mentioned to me that no matter how long he had to be off till the end of his mothers life he would be by her side and he did . I will miss Jim like I miss his mother they will now be together . You will have some tough times in the days ahead I know I have since losing Gayle , both will be greatly missed forever. Any time you feel you need to talk please feel free to call me . I will miss my buddy driving thru Amarillo and staying the weekend - he always made a effort to route his self out of his way to see his mom and me . He was a great man and I will miss him.

“ Tabitha, we never met, but when Jimmy talked about you, it showed how much he loved you. I am so sorry for your loss.
Jimmy, from the day I saved you from "you know who". I knew then I had another brother. I sit here very sad, but still smile when I remember that young goofy smile you had.
Rise in peace my brother.

“ Jimmy, there are no words to express the sadness or no amount of comforting words that can take away or ease the pain I'm feeling. You're my big brother and I love you with all of my heart. I will always remember the good times. Your smile could light up a room and your eyes always were filled with kindness. Your heart was as big as the universe. I will treasure our memories forever and keep them tucked in my heart. I love you so much!
