“ *I wish I could be with the family today, I will be there in spirit. Jeff, Jr. was always one of my favorite cousins. I am your Aunt Pearl's daughter. Jeff told me she wrote him every week while he was in Vietnam and he always wrote her back. He had a special place in her heart because he was her sweet brothers son. Mom told me she wrote Uncle Jeff every day during his time in World War 11. She wanted them to always have mail from home. I cherish the memories I have of both of them and the rest of your family. Love and prayers. Your cousin.*

My husband Ray and I located many of Richards comrads who served in Vietnam with him and had a reunion in 2004. This is how we meant Jeff. We are so glad to have known him and will never forget him. We last saw him in. oct 2016 and Ray talked to him on phone the day before he died. We thank you Jeff for for your service to our country. You will be missed. RIP.

“ So sad to hear of his passing. He and his wife where good people I remember walking by their home many times when I was little and they would always wave and say hello even though I didn't know them personally my father talked highly of them and Sandra Colegrove. Our little community has lost another precious member, may God bless their families and son and comfort and strengthen them.
