“ *Aunt Frances, how I love you and Uncle Tim so much. I was so thankful that I was able to see and hug this great man this summer when he was doing good. My heart breaks for you, and I am so thankful that you have Jan and Craig and those beautiful grandchildren and great grandchildren. Uncle Tim loved his family first and foremost and the devotion that he had for you was a joy and inspiration to see.*

*Regretfully I can't travel right now to come see you and give my respects. But this spring, hopefully we will be able to come see you and our hope is that you will be able to share your memories of Uncle Tim with us.*

*Deepest love to all of you as you go through the next few days and weeks. You will all be in my prayers, but I'm pretty sure that you have a very special angel in heaven watching over you all.*

*Love, Pete and Shirley Lee*
