“ *This is really sad. I haven't seen or talked to him in a long time, but I would always consider him a friend. He was a big part of me learning how to play pool at the pizza house when I was younger, he was one of the best pool players that hung out there.*

“ *I will never forget the fun times we all shared when we were younger. I'll never forget racing around the mountains in your rail-buggy and acting like fools on 4-wheelers. I'll never forget the time we all thought we were going to get eaten by a coyote in your backyard. So many good memories with you and Mack. Please hug him tight for us. We will miss and love you for forever, Jess. My heart and love go out to Laurie, Big Jess, Haley, and the two littles. May God wrap his arms around you <3*

“ I remember the summer I spent with you, Mack, Laurie and Big Jesse, it was one of the best summers ever.... I remember you, Mack and I used to get in trouble for jumping on the beds. We had fun when we would go to the races. I love you my cousin, now you are in Heaven with Mack, until we meet again one day, May God Rest Your Soul
