“ *Its hard to believe it has been 37 years ago I first met you & your family, I fell hard in love with you, a tall good looking bad boy, you sent me some beautiful paper roses, every time you wrote me, I always looked forwards to hearing from you or seeing you ever time I got a chance, but time passed & we went our sepreat ways, but I never stopped loving you, every time I talked to your sister Nadine I always ask about you, I always wondered if you thought of me, im thankful I got the chance to see you one last time while you was alive, my hart still had a flutter when I seen you, you was still that Hanson man I knew all those years ago, we both got older but I still seen my Jimmy in those eyes, I loved you then & I never stopped loving you, rest in peace my love.*
