“ *Have always loved all of Sister Newsomes' girls as I often called you. Thought it was the greatest thing ever to get to walk to the store at the forks of Marrowbone, when Sister Newsome was there and maybe buy a pop, candy bar, or an ice cream and sit on the porch , and talk to whoever was around , while we at or drank whatever we had bought. Always loved Joans' smile and she knew you all the time. So glad that you know the ultimate healing of getting to be in the prescence of Jesus. You will be missed, but looking forward to the reunion in heaven. Can't wait to see you, your precious Mom, my Dad and so many more. Sorry for the loss your family is feeling and will be praying for them. Love you guys,

“Nite-Nite Joan-Joan! You are now sleeping with the angels. You will be dearly missed.

You are my aunt, but seem like a sister. Growing up, you were the one who introduced me to my love of music, especially Motown! You had to put up with many nieces getting into your clothes, jewelry, makeup. Just so many memories fill my mind of those days. I choose to remember you with joy, laughter, and love, as you have given me throughout my life. I will miss you, but you made me a promise that you'll be watching for me when I arrive in heaven. I'll be looking for you also on heaven's bright shore!

“ *Joan and I were cousins, class mates and friends, We loved dancing in P.E. at Kermit High School. Last time I really got to talk to Joan was at Warfield Shop Rite, we were in a long line, and we talked about old times and just gossiped. We giggled all thru the line, It was so good to laugh and talk like high school girls. Loved her dearly. Will miss her terribly.*
