“ Growing up as kids , a lot of ppl thought we were brother and sister, instead of cousins...getting along one day and fighting the next. But it wouldnt be our family if it were any different than that.

May you rest in peace John, Your Mom and the rest of the family in heaven welcomes you with open arms.

My love to Norma, Nakayla and Gene.

“ Johnny Ratliff you were my first friend and cousin, you were five years older and made sure I knew you were the boss however I have the best memories of my childhood staying down home at your Moms and uncle Clarence's houses over the years.

We have laughed, cried and disagreed on things over the years but we have always remained family. So till we meet again Johnny Ratliff you give all our love ones a hellva hug from me!

May you rest in paradise Johnny we sure are going to miss you.

Love your cousin
