“ This is a picture of my brother Johnny Ray Slone. This is at my house in Columbus, Ohio, several years ago, when he stayed here awhile. He had just decorated outside the house, for Halloween. He did not like Ohio, he missed the hills of Ky and Wv. So he worked awhile through a temp service and headed back home.

“ Although we do not know a Johnny Slone, whose dads name is Johnny Slone., or has 4 brothers. this Johnny Slone has a lot in common with the Johnny Slone that we do know. the Johnny Slone we know has only 2 brothers, and a sister named JoAnnn. Dads name was Joseph Slone. the 2 brothers are Ricky and Martin. What is the same is: the mother is Flossie and a daughter named Crystal. Just do not know why the other info is wrong-if it is the same Johnny. Can anyone clear this up? So, we will know if this is a differnt Johnny than Joseph Slones son? thank you. and prayers to the family
