“ Jonathan was my best friend! I will always remember the lil things in life...whether it be drug court groups or just times sitting around the house laughing at each other! The fondest memory I will have of him will probably be teaching my girls how to widdle...they loved it and will probably remember that about him for the rest of their lives!!! Miss u bunches Jonathan!!!

“ *Jonathan use to live with me and my family for a few years when he was in high school. He would always go in the kitchen and fry bacon the fastest I have ever seen anyone fry bacon. He loved bacon that's funny but that's one of my memories of him. RIP Jonathan...*

We used to play Baseball together as Kids, he would get mad at me and say, " Give my Bat and Ball, I'm going to the House!!" Jonathan you were like my little brother and my best childhood friend. You will be missed by many!
