“ *So sorry, Words can not express the pain that i feel for you Paula, Lesele, Betty and family. Josh was a beautiful person inside and out, always so happy and cheerful to be around. I didn't know that he was only five days older than my son Casey, may 13 1982. Casey said that they went to school together at Crum, and was very close friends during that time. My love and prayers to you all during this time of loss.*

“ *Paula, Betty and all the loved ones; my heart is heavy for you. Its been many years since I've seen most of you but I know the family all the way back to Grant and Hessie! I remember when you came to Silver Creek Sunday school. That's been a few years back but we don't forget all those great times. I pray that during this time and all the painful days ahead that God will be your refuge and help. I pray He will comfort you as only He can, sustain you as only He can, and also give you the peace that only comes from Him. My love and prayers to you all, Rosemary (Maynard) Salmons*

“ I have so many great memories of Josh and I growing up we somehow couldn't stay out of trouble. The funniest thing is when we took a tonka truck and filled it up with fireworks and pour gasoline on it and made a trail of gasoline behind this brick wall. Then we flicked that bic lighter and lord that thing lifted off the ground. We both looked at each other and said well that commercial lied it don't outlast anything. We laughed so hard!! Then later they all asked us who had done it and we both was like I don't know didn't know they were taking a picture of us doing it. Needless to say we got BUSTED!!! I Love You my brother.
