“ Just a brief tribute to Judy Clark. Carolyn and I got to know her about 1977 as she was such a part of the Martin County Headstart Program. Judy, in many ways, performed the duties of an administrator even before becoming director of the headstart program. She always demonstrated maturity and compassion in making decisions that effected children in the Martin County Headstart Program. Judy was a pleasant person who tried to reflect patience and wisdom whatever the task might be. In summary, I believe it is more than fair to state that she performed her duties in a commendable way. Carolyn and I will always have fond memories from our association with her. Psalm 116: 15, "Precious in the sight of the Lord is the death of his saints."

A sweet ,sweet soul! She was so wonderful to me . Such a lady always , so caring of her friends . She gave me my beginning in the Headstart family, I will forever be thankful for that, I remember the first time of many I left Headstart she told me she was not going to let me quit and she was only going to let me take some time off , I loved her for that. Rest in Peace Miss Judy.

Judy and Jimmy, back when their kids and our kids were kids, were such sweet and good friends. The "Family of Smiles" we called them. They were so upbeat and happy. Jimmy was a school mate and Bowie was a basketball team member with our son, John C. Kirk. It hurts that this good and caring mother and friend is gone.
