“ Justin was my friend, as were all the Wiley boys. He was always a good friend to me and I'll always appreciate our long chats. Whenever one of my kids were sick or something was going on I always heard from him asking me if things were alright and he'd sit there and listen to me gripe about this or that and id return the favor in kind. I sit here and I think about the family and friends he left behind and it absolutely broke my heart when I heard the terrible news. I can't begin to imagine the toll it's taken on them and the little boy who will have to grow up without his daddy. Tina and boys, I love y'all like family and I will be there in remembrance of my buddy. I pray that God keeps this family in his loving arms through now and always
