

Kenneth Ray Sturgill

April 14, 1956 - June 16, 2025

Kenneth Ray Sturgill, 69, of Kermit, West Virginia, passed peacefully on June 16, 2025, surrounded by his beloved wife of 50 years, Pauline Sturgill, and their four daughters: Jessica (Shelby) Meade, Sarah (James) Johnson, Alivia Sturgill, and April (Michael) White.

Born on April 14, 1956, Kenneth was a man of quiet strength, deep faith, and unwavering devotion to his family. In his final days, he renewed his vows to God and left this world just as he lived in it—peacefully and surrounded by love.

Kenneth was more than a father—he was a steady presence, a teacher, and a helper who believed in doing what was right without needing recognition. He raised his children and grandchildren to respect hard work, honor the land, and live with honesty and compassion. On his mountaintop farm, he raised—most importantly—his family, along with livestock, gardens, bees, always working side by side with those he loved. His life was rooted in the soil and shaped by his faith.

He was a proud “Poppy” to his grandchildren: Kendra May, Karie Robinson, and Kaleb Meade; Caitlin Brighton, Chloe Sartin, and Kinsey Sturgill; Camryn Fletcher, Ethan White, and Lauryn White; and Abram Sturgill. He was also blessed with 11 great-grandchildren, all of whom brought him joy and now

carry forward the strength of his name.

Kenneth was one of the last of a certain kind—a true mountain man in spirit. He helped anyone who needed it, held no grudges, and believed in working things out side by side. In a fast-changing world, he remained constant: a reminder of what it means to live simply, love deeply, and serve quietly.

His final words to his family were simple, lasting ones: “Don’t sit around and cry. Get along, and work together.” That’s the legacy he leaves—and one we will carry forward with love and pride.

He was deeply loved. And he will be deeply missed.

“ He was a great Big Brother. He worked hard and helped Daddy to take care of the rest of us. I heard Daddy reminding us of this one day when one of us said something against Kenneth.(You know how kids are always fussing with each other) Daddy said Kenneth helped feed us and we better be grateful to him. He didn't want nobody talking bad about him. Now he gets his well earned rest in Heaven with the Lord he loves. I'm so grateful to God that I got to spend time with you recently and talk and pray with you. Can't wait to see you again. I love you my brother. ❤️
