“ My deepest condolences to all of the family. My heart hurts. Kenney was such a gentle giant. Quiet, humble & caring but carried a huge influence on everyone that knew him. Being a man of not many words, we did share many conversations, that are now even more dear to me. My prayers will continue thru the next days, weeks and beyond for God's peace & comfort to surround all of you and for some understanding as to why. Much love and prayers.
