“ My favorite daily quotes spoken from the love of my life Lark Daniel Lackey

How did I get so blessed and lucky to have you ? "You called me luvbug and I was hooked"

From the time I stepped off the plane in Florida I was your husband and you were my wife.

I love you more more moistest OK you can tie!

You gonna cuddle me up or am I gonna cuddle you up?

Home is wherever you are.

God will always provide you just put your faith in him and he will provide.

I love you more than you'll ever know I love you more than life itself I love you more than anything in this world honey.

Mia have I ever told you how beautiful you were today and how lucky I am to have you? Well I'm telling you again!

I love being called your booby
