

Lorene Brewer Walker

April 23, 1940 - November 21, 2020

Lorene Brewer Walker, 80 of Prichard, WV went home to be with the Lord on November 21, 2020 at King's Daughters Medical Center. She was one of six children and was born on April 23, 1940 to the late Billy and Stella Rose Brewer. Rene loved her family and brothers beyond words. She found joy in family and taking care of their little dog Bentley. She was a homemaker and very proud to have been of the Church of God faith. Many remember how much Rene enjoyed singing in church.

Along with her parents, Rene is preceded in death by her son whom she loved so deeply, Rickey Newsome, devoted husband of forty years, Eugene Walker, brother Billy Brewer Jr. and sister-in-law Evelene Brewer. Those left behind to cherish her memory are her children; Diana (Jeff) Woods of Commerical Point, OH, Leva Spaulding of Kermit, WV, Steven (Dimple) Newsome of Kermit, WV, and special son-in-law James Spaulding of Kermit, WV, grandchildren; Brandon Newsome of Evansville, IN, Scott (Chaille) DeVoe of Ashville, OH, Billy (Tiffany) Newsome of Fort Gay, WV, Mindy (Justin) Meredith of Fort Gay, WV, Kelsey (Kyle) Gillman of Crum, WV, Jesse (Jamie) Newsome of Fort Gay, WV, her treasured great-grandchildren; Lucas and Laney Gillman, Tyler Kitchen, Bryce DeVoe, Brooklyn, Riley, and Skyler Newsome, Braxton and Braelynn Meredith, and brothers; Anthony (Margie) Brewer of Naugatuck, WV, Russell (Joyce) Brewer of Harold KY, Lonnie Brewer of Harold KY, Cecil- Dob (Nancy) Brewer of Kermit, WV and a host of

nieces and nephews. Words of a song Rene used to sing remain true for her family, "Heaven will never welcome a sweeter Momma and Earth will never lose a greater soul."

In accordance to the mandate issued by the Funeral Director's associations Kentucky, all funerals are private at this time; with a limit of 25 individuals. Services will be held on Tuesday, November 24, 2020 at the Warfield Chapel of the Callaham Funeral Home. All in attendance are required to wear a face mask and maintain a distance of 6 feet when possible. Mrs. Walker will be laid to rest at the Brewer Cemetery, Marrowbone Creek, WV with her grandsons serving as pallbearers. Arrangements are under the direction of the Callaham Funeral Home, Inez, KY.

Tribute Wall

“ *Our Church in Louisa Ky. will never be the same without Bro. Eugene and Sister Lorene coming and Singing for us. God through them could really stir a congregation. The New Beginning Church will always be indebted to them for helping us in so many ways. Me and Bro. Eugene would have some very deep discussions on the Bible. He was very well read. God Bless their precious Family in the days to come. I believe we will be reunited over on the Hills of Glory !!!!*

With Love, Brittney Worthington (Cricket) - November 24, 2020 at 12:21 AM

“ As a very young bride, Rene was my guide, my mentor and my surrogate mother. So much more than my mother-in-law, she was the only mother I had at that time. With my own mother so far away, Rene graciously took me under her wing to teach me how to care for Rick and to teach me all the things that a woman and wife should be at the very young age of 16. And not only for Rick's sake. Oh no. But for my own too. I can't begin to express the impact she made on me, in which I still carry to this day. Her loving, daily and moment by moment guidance had no bounds. All the while without judgment, only encouragement as she so lovingly provided.

One warm and sunny day as Rene meticulously instructed me on how to hang the wash out on the line, she pointed out the many "greens" that were right there under my feet. Tangle gut, poke, etc. I had never heard of such things. It is one of the earliest, vivid memories I have of Rene during that time in my life. I see her bright, beautiful blonde hair, her graceful hands and warm smile glowing on that early morning so long ago. I have so many memories in that short period where she graced my daily life with her knowledge, but simply and most importantly: her presence.

She taught me life-lessons, provided knowledge that only Rene could give and the importance of faith and christianity. Her faith beamed from the depth of her soul. There were so many things that I was never privileged to be a part of until she came into my life. She taught me value in others and how to give unselfishly. She loved me, opened her home to me and her vast experience. Thru the years, she remained someone with whom I always dearly loved and greatly admired, despite rarely seeing her. When we did meet over the years, I could still feel the same warm love as from decades passed. She is one of the greatest women in my life. I'll always love her and hold her in the highest regard. Truly, she is responsible for the young woman I became.

Her life lessons still remain with me to this day. Over the years I have shared them often with Brandon, and proudly share with

others what I once received from a remarkable woman. I am humbled to be able to honor Rene's memory and legacy with this tribute. I carry her with me always through the integrity, knowledge, love, and tenderness she instilled in me all those years ago.

Diane, Leva, Steve;

My heart is broken for the loss of your mother. She was a wonderful woman, the best mother and the most beautiful soul. I will continue to hold her in my heart for all my days. I can't put into words how sorry I am for your loss. She is beloved by all who were fortunate to know her. I hope and pray that you can find comfort in the coming days and years knowing how many lives she touched and how beloved she will always be. Her faith and loving touch will forever remain within those of us who had the greatest honor of knowing her and being loved by one of God's Angels.

“Heaven has gained such a beautiful soul. I remember going to her home when they lived across the bridge at the Fork of Marrowbone to play with Diana, Rene always made me feel like one of the family. She had such a welcoming smile. My heart aches for her children and grandchildren. I pray they find comfort in knowing she's in a better place.

BR

“As far as memories go there isn't enough room in all the computer memory in the world. But one that is very important to me is Mamaw's "Morning Glories". I Would stay over night with her and Eugene just to see the "Morning Glories" bloomed on her front porch posts. Would sit with them out on the porch watching people go up and down the road and having a bite of breakfast. Times as that is what the term priceless is made from. To me it's way more than that. I will miss them dearly as so will everyone. I love you Mamaw and Papaw Eugene.
