“*Lutie was my friend for many years. She was my Title 1 Aide at WMS for several years and my dear friend. I thank God for her. In her later years, I stopped to see and visit with her whenever I could. We always had the best talks, catching up on everything. She loved her family so much and was always talking about her girls, her sons-in-law, and grandchildren. I stopped three times to see her, thinking she just wasn't home, before I found out she was staying with her daughter. I had a note laying on my counter to call Lutie, when I had to pack up and go to TN to be with my sister, who is very ill. I never made the call and did not get to attend the funeral. I pray God blesses her family and comforts their hearts. She will be missed. I loved her very much.*”
