“ Oh my gosh. I've known Madeline since I was 14 years old, I'm 60 now-- last time I saw her, about 7 years ago, I spent the night with her and Ernie Ray and we had so many years to catch up on, it was a great reunion and we picked up right where we left off, 40-something years later...she taught me how to be a girly-girl with my first boyfriend and I just loved her like a sister...we had so many fond memories of our escapades and I will never, ever forget her-- my sincerest condolences to her family, especially her girls whom I've only met once, but I've thought about Madie often and never expected this...Rest in heavenly peace Madie, until we meet again

“ *Prayers for my sissy in law and my nephews I love you all so much. Mattie was such a beautiful soul and the sweetest person. I was just thinking about her the other day and had plans on going and visiting her in the next few days until I heard the news. Since it had been a little while since I've seen her. My heart hurts for the family. Love, Hugs and prayers for the family and friends. She was also a part of my family will never forget this precious soul ..*
