“ Marie Sartin was first married to my dads half brother Harvey Fraley who was murdered in Kermit Wv some time after WWII.I only met Marie one time at my grandpas birthday party back in the 1970's. From the stories my dad used to tell, Harvey and Marie had an eventful life before his death. Marie was well loved by everyone in the family and she will be sorely missed. My aunt Tina kept in touch with her by phone until she became un-able to recognize her voice. The Preece family will always remember her with love and admiration. May she rest in peace, with love Ricky Preece.
