“ *Such a sweet lady. I remember the girls driving her to the post office and she would sit in the car sporting a different hat or scarf each time. I would walk out to speak to her and she would talk to me like she had known me all her life. My loss that I didn't but blessed to have met her when I started working at Beauty. Many prayers to the family and many close friends who will greatly miss this amazing lady.*

“ This lovely, kind and very good lady leaves a lasting legacy behind to her children, their spouses, to her grandchildren and great grandchildren and to her many friends. The McCoy family has always been special to me. The fall after I graduated from Warfield HS, I wanted to go to college but had no money. Times were hard and my mom and dad had a big family. We did have a second car, not a very good one. My dad and I took the car to Mr. Robert McCoy who was not interested in buying it until he learned that the money was needed so I could go to college the next day. When he learned that he bought the car. If he had not done so, I could not have gone to college the next day. Later, when I had the privilege of teaching at Warfield and when Lola was one of my students, I often thought of Mr. McCoy and his kindness. Bless your sweet mother and bless the McCoy family. My darling wife, Loyce, sends her love to all of you.
