“ *I will always remember how Aunt Mary always treated me with kindness and love,I can still hear here saying “hi baby” as she walked from her place to Mamaw’s place to greet us when my family would pull in for a visit. She was so kind,happy & beautiful and in the recent years ALWAYS bragging and talking about her grandchildren,she was so full of love and will be deeply missed 💔
💛 Sending prayers to all the family. May God give her children and grandchildren the strength to get through this loss.*

“ *I remember the day she was born. We were sent to the neighbors because the birth was at home in a big feathered that belonged to our grandmother. We knew we were going to have a new little brother or sister soon. When we came back home there she was in Mother's arms. She was named Mary after our Daddy's Mother. I still have that featherbed and many more memories over the last 61 years of my baby sister. I loved her very much. She will always be with me in my heart. Thank you God. ❤️*
