“ Maxine and I had a lot of laughs through the years, but I often think of how funny she and I thought it was when I pulled a prank on Jim by taking a bite out of his sandwiches she had packed him for lunch and placed in the fridge.

For those of you who don't know, Jim thinks it is gross to eat or drink after other people. He wouldn't even eat after Maxine! Lol We would giggle like teenagers each time we relived that moment.

Mac attack, as we liked to call her, will be missed everyday by every person in her life. I love you Maxine and thanks for all the wonderful memories and ALWAYS making me feel welcome in your home 🥹
