“ *Megan, I have so many wonderful memories with you. As I look back on my childhood years every memory I have is with you. 17 years of friendship. You wasn't only my best friend.... You was my sister. Even though you was younger than me I looked up to you. You made me want to be a better person and mother. I can't believe you are gone. You were such a amazing person. Beautiful inside and out. I am so thankful God allowed me to have you as a sister. My mom, dad, Jordyn, JaLynn, and I love you and will miss you so much. But this isn't good bye. It's see you later. Fly high sissy. I love you.* ”

“ *I am deeply sorry for your loss. Megan was my student teacher at Athens-Chilesburg Elementary this past fall. My students and I LOVED her! It was evident that she had a passion for working with children. During her time in my classroom, her grace, humility, and kind spirit reminded me each & every day about the value of loving others unconditionally. At the time, she was living with her grandparents in Winchester and talked about them with such admiration. She frequently expressed how blessed she was to have their love and support while completing her degree in education. She kept a picture of Leila bug on her desk and was always so excited to show me new pictures on her phone!. She was an outstanding young woman, mother, and teacher. She embodied the spirit of Christ and without a doubt is resting peacefully in his arms now. She will always hold a special place in my heart.*

In life there are people who leave lasting impressions on us and Megan was one of those people. I never saw her without a smile that came from the heart. Megan was very positive and full of energy and loved life. It is a pleasure to say that Megan was a cousin and a former student. Megan will be greatly missed by all her precious family and friends. My thoughts and prayers are with her beautiful baby, grandparents, Mother and brother. Megan it was a pleasure to have known you.

I had the pleasure of watching Megan grow into a confident, strong and passionate teacher during her last semester at the University of Kentucky. Megan was committed to being a positive influence in the lives of children. I will forever admire her determination, persistence and love for children.
