“ Mike was my father and a man with the kindest heart of anyone I have ever known. Although he was very sick for the longest time it did not stop him from caring about others. Friends, family, strangers it made no difference to him. He would have given the last bite of food he had to someone who was in need and his home was open to anyone who needed a place to stay. His love for children and compassion for those less fortunate despite his condition was something inspiring. His mother cared for him with as much motherly love as she could muster. We will greatly miss him but have hope that he is finally well and at peace. He will forever hold a place deep inside our hearts where his memory will always live on.

“ I will always remember when my girls were little and he would come to visit at my Granny's house. They called him "mean Mike". He would laugh so hard when Destinee and Desiree called him that. They will miss him. I loved to sit and listen to his stories about him and my dad when they were younger. Also, his awesome experiences in the Navy. He was a great man with a super personality. He will be missed by so many people. We love Mike and will miss him dearly.

My Condolences,

“ Prayers for Minnie, Lisa, Mikie and Santana in this time of grief. Mike was one of the kindest people I have ever known. He had a huge heart and would help anyone any way that he could. I never remember a time that he couldn't make me laugh. Although he was my cousin, he was more like an uncle to me and my kids. Almost every time we would visit granny, they wanted to walk out and visit with Mike. He was dearly loved and will forever be missed.

That was beautiful. So true... He was more an uncle than a cousin to all of us. Always laughing and joking around. He will be missed.
