“ My Dear sweet Aunt Midge as we all called her, I will always remember visits to her and my cousins, going in the store which had a Post Office in it, she would give a candy from the story. She would cook a great diner while us kids played in their big yard. She lived on the KY side of the Tug River and we lived on the WV side of the Tug River, if we was going from Stepptown to Crum my Daddy would jokingly blow the car horn when we would pass her house across the River, don't know if she ever heard it, but Daddy did. I send my love and prayers to Judy, Tina and family. Rest In Peace Aunt Midge loved you and will cherish your memories.
