“ My dad was and always will be my hero and my guardian angel. There are no words to describe the love I have for him. The pain seems so unbearable, but I know he isn't suffering anymore. He is pain free. He left such an inspiring testimony behind. His love for the Lord and his family was what he would tell everyone. I know he is living *THE LIFE on HEAVENS SHORE*. I will see my dad after my life here is o'er. Love and miss you dad. See you soon.
