“ All the years I worked with Nellie (Maw) were the most memorable of my time. We loved her dumplings and apple pie. We worked hard but it sure was a different environment then than now. We had fun and were so happy. I love Nell and she will forever be a memory I'll never forget. My love and prayers are with you all.

“ *An amazing lady who treated you like you were family and her talents were amazing from cooking to sewing. She will be missed by all who meet her but when her golden heart stopped she crossed into heaven with her precious family that has already made the crossing. As she would say if I leave here I will meet you in heaven. Prayers for her family here. I was blessed to have had you in my life for a short time. Love you granny Nell!*
