“ *Oma was special to me in many ways. If Eric had been a girl the middle name I promised her was going to be Oma. I had a dream not long ago of me, Oma, and Grandma Smith. I was holding Oma like baby and patting her while Grandma smiled at me. Then I was chasing family members who were lost and bringing them through a tunnel to the other side which was like very clear and breath taking, space like and floated upward. Sounds crazy but that is my life! Can't wait to see everyone again one day when we will be together and watch down over our next generation! Miss you Oma. Love DEE.* ”
