“ *Heavens looking better all the time....I love this man and his entire family beyond words. I sat here and tried to think of words that would express my feelings but there is nothing adequate. I do know my life and countless others would never have been the same without Otis Dillon. It would be mind boggling, I'm sure, just to know the number. Such a wonderful example to try to follow. I do believe Silver Creek church can still be great with God in control, but it will certainly NEVER be the same. My love to all the Dillon family. My prayers are with you all. He has now not only "stepped in the water" but he has crossed deaths river and is waiting for us all on the other side. Love and prayers, Rosemary and family*

So glad we got to be in church with him for the Silver Creek Church Homecoming. Such a wonderful service. He played the piano and did great. I sat there and just watched him. So thankful to have been a part of this fine Christian family. Prayers for all his church family, too. Ursula and Troy Dingess*

“ Otis was like a father to me. I played piano for the Travlrs from 1979 til 1986. He and Lil treated me as their own and guided me through some very hard times. I remember Otis with smiles. So many joyous memories on the bus traveling from state to state. He could be stern and tough...but he was as gentle and caring as any man I have ever known. I am a better man thanks to Otis and Lil. When my daughter was born, my first call, was to them to share my joy...and I have called when life was hard, and they shared this with me as well, helping me and showing love and caring like I've seldom experienced before. So many miles we traveled late at night on that old bus, everyone else sleeping, and those talks will remain with me always. They stood with me in my strengths as well as my weaknesses, never too busy or preoccupied to listen to this skinny guy from Logan county. Otis will be missed, but knowing his wait is finally over, and he and Lil are together again brings a warm feeling to my soul.

My condolences Brenda, Kay and Gabriel Lynn, and the rest. How blessed to have him as your father and grandfather...and thank you for sharing your wonderful parents with this skinny kid from Logan. I love you all.

I just don't have the words to express how much this family means to me. They have all been a part of my life growing up here in Crum. Otis was a good Godly man, and now Heaven is so much sweeter. Gary has fond memories of fishing with Otis, (finger fishing). He meant so much to the youth in Crum. ((HUGS)) to all the family---Love all of you dearly-----Gary and Lorri Perry
