“ I chose to light a blue candle for Otis because I know he would have wanted it to be "Ford blue." I have known Otis since we were young kids at Kermit Elementary. Later in life, I would see Otis at church and when we sometimes coon hunted together. Although we had lost touch over the years, I always considered Otis a very good friend. My prayers go out to his family for their terrible loss.

“ Otis was grafted into our family as a young boy. He spent a lot of time with his Messer family. We all said he was a creek boy too. When I heard the news today, I said oh no we lost another one. Immediately I said to myself no not list we know where he is now. I would watch his service on Sunday after I got home. He would sit up front on his guitar saying Glory, Glory, Gory. Praising his LORD. That's a memory that will stay with me. Prayers for the family. Our hearts are broken, not for Otis but the ones he left behind. We shall meet him in the air.
