“ Ova was an amazing woman, she made everyone around her feel like a part of the family. She didnt have a mean bone in her body I dont think.. She was so good to everyone around her, she will be truely missed. I love you guys and I know this is gonna be the hardest thing you've ever had to do. I pray that god stays with you and gives you the strength you need to get through this. She will be smiling down on all of you and she has a few special angels up there to show her the way. Love you all!!
