# Tribute Wall

“ Mom,

*I can't believe its just been almost two years since you went to Heaven. It feels like an eternity without you. I still think of things EVERY single day I want to tell you. I can close my eyes and remember so vividly the softness of your hands, the comfort of your hugs, the kindness of your heart, the gentleness of your spirit, the secrets shared, the sunshine in your laughter, the love in your presence, the peace in your reassurance, the life lessons that abound, the sincerity of heart, the essence of Christ, and the honor of a lifetime to be your daughter, to call your my mother, and forever my best friend. Dance and celebrate momma! Dance with joy before the Lord! Hug my brothers and sister for me! Let them know I feel empty without them to and love them! Save a place for me momma! I'll be home soon!*
