“ Mrs Muncy was more than a music teacher to Roy Swisher and myself. She cared about us and would allow us to evolve into our love of music and singing. She is now in that Heavenly choir. Can't you just imagine.

“ *My deepest sympathy goes out to Pat's family. My first memories of her go all the way back to my freshman days at Inez High School when she was my English teacher. She gave me a grasp of grammar in three years that never left me. She allowed me to grade papers for her an hour a day, which gave me a little money in the days when most of us had none. She was a teacher who made a difference in the lives of so many students. In my days of teaching, I hope that I encouraged my students to pursue their dreams, just as she did for me. Her legacy will live on through those of us whom she taught!*

“ *Pat was humble and kind. Her voice was beautiful and her desire to help others contagious. I was proud to be her student, her coworker and sister in Christ. She will hold a special place in my heart because of her character and how she loved my Mom. When Florna and Pat sang you wanted to listen. Sing your heart out...you are free from the earthly challenges.*

“ Pat was one of the very good ones. Her mom, Mrs. Edith Clark, and her dad, Mr. Sheldon Clark, were two very fine people. Pat was a classmate at Warfield, a person loved by so many and they loved her because she was so good and kind. Her husband, John, was one class ahead of her. Mr. John Muncy, a good friend, is also a very, very good person. Pat and John served the children of Martin County for a long time as teachers. Our hearts are heavy for the family's loss of this good and kind person. Loyce and I send our prayers. John Kirk
