“ *Such a wonderful man and son-in-law. He was always good to me and was there whenever I needed him and still called me mom. My heart is full of precious memories of him and Jessica, beach vacations, the lake, holidays, and family gatherings he will be greatly missed. R.I.P. Paul.*

“ Mr. Cline...the first thing that comes to my mind, is that my daughter came in from school and was sooo happy to have him as her math teacher Allen Central Middle School. He was always so kind and smiling when we had conversations. He also accompanied my daughter's class when they went to Florida on the Beta Club trip. She talked and talked about how much fun he was with everyone on that trip. Later, she told me, "Mom, I just love Mr. Cline, he always makes me laugh and feel better!" I will always remember that. Gone way too soon! He will be missed by hundreds of friends and acquaintances. I count myself and my daughter two of them. Bless the family and may you all be flooded with lots of love and sympathy!

Pail was a wonderful a great friend. I'll never forget the times we shared When I was sick he would stop and see me. My mom loved him I don't recall or could not imagine anyone who didn't like him. Many people would blame me for taking their car keys and hiding their car let it be known that Paul had a hand in it. He was so funny and could you laugh even when you were sad. The students will truly miss him. God bless me with a wonderful friend I love you and will never forget you 🙏

Mr. Paul Cline, Jr. was a very good person and a very good, smiling, positive talking friend to me and, I am sure, to many other people. We used to be "gym buddies" and played lots of basketball. He was a very good player who played by the rules. Sadly, I last talked with him about 5 months ago.
