“ He was my uncle for many years as he was married to my dad's sister Mary Francis Muncy Horn. He always loved and cherished my mamaw Rosie and even after he and my Aunt went through a very painful divorce for reasons I will not go into he would do anything for her. He still gave her a card every mother's day, took her out to dinner on her birthday, and showered her with love and for that I will cherish the memory of my Uncle Paul. May God rest your soul. Your little Keiter.

“ My friend, How could I ever forget you? Your smile could light up the earth. Even as classmates I remember your smile and charm. You were voted the most likely to succeed. It has genuinely been a joy to know you and to love you. A small piece of you is always in my heart and it is with much sorrow I say good-bye to a dear friend such as you. I will always be reminded of you when I see flowers for you are a rose amongst the thorns. Rest In Peace dear friend, and know that you will be missed. Until we meet again, I will not worry for I know by your testimony that you are loved by Our Heavenly Father and by so many who knew you. I love you.

“ *When I was 5 yrs old my Uncle Paul lived with us. Mom was pregnant with Johnny so she had to go for a doctors appointment and Uncle Paul was watching me, Ken, Leslie and Lisa. Well he was taking a nap, so we decided to jump on the bed. So we're jumping from the dresser to the bed, many times. Well I hit my head on the headboard. I get back up and start jumping again and Ken says your bleeding. Then I start crying. We wake up Uncle Paul, he calls for an ambulance and we go to the hospital. I needed 5 stitches. So as there stitching up my head he holds my hand the whole time. Then when they're done he passes out! So he waited to pass out until they were all done with me! Lol. Thank you Uncle Paul for taking such good care of me!*

“ Paul, we had many happy times together you will be missed by us all. You were always the one that made us laugh you never seemed to be sad to you the glass was always half full. I loved your excitement when ever we were texting and I would tell you how to do something new on Facebook, I still can't believe that I will not see your smiling face when I come back home, I will forever hold you close in my heart cuz.
Love your cousin

“ Thought and prayers to the Family, so sorry to hear this. I still remember Paul taking me and my mommy (Bitha Horn Gillman) to the hospital many times. He was such a sweet cousin, although I have not seen him since mommy passed, I received a Christmas card from him this past Christmas. This makes me very sad and I extend my prayers to the family especially Aunt Ellen. Life really is just a vapor...
