I love this woman so much. I did home health with Mrs Fluty and enjoyed every minute I spent with her. I have so many good memories that I will cherish forever. She was much more to me than just someone I took care of, I thought of her as family. Rest easy in the arms of Jesus Mrs Fluty. I love you

“ *I still remember Aunt Pauline telling about how she shot at the deer in her garden, she was in her 80's then. I only hope that when I go people will say I was half as tough and loved as her. She was an amazing woman.*
