“ I don't understand what has happened to our youth and how the enemy has stole their young hearts and minds but if a person can make heaven without repenting and baptism which I know we can't but if it were so then he would make it such a humble caring thoughtful person we surely will miss you PJ I'm praying for your family for strength and comfort at this much needed time. One of many things ill keep with me for the rest of my life is the memories we had, the things we shared, ill never forget.
