

Phillip Muncy

September 2, 2020

On this day, September 2, 2020, Phillip Muncy overcame his battle with Multiple Sclerosis and ushered into the arms of the Lord. Phillip is survived by his loving wife, Linda (Hale) Muncy and his two daughters, he adored, Deanna Kyleene Muncy and Leanna Marie Muncy.

Phillip is preceded in death by his parents, the late Homer and Grace (Maynard) Muncy, as well as 2 sisters, Loren (Muncy) Jude, Irene (Muncy) Lowe and 1 brother, Raymond Muncy. His surviving siblings are, Homer (Betty) Muncy, Lowell (Virgie) Muncy and Becky (Walker) Fields, as well as several nieces and nephews.

Phillip was a loving and devoted husband and father. He had a love of horses and livestock. His happiest moments were around his barn. As his health decline more, he wasn't able to do what he loved less. He was once asked by his daughter Deanna, if there was anything else he wanted to do or see. His reply was he had done more and seen more in life than he ever thought he would. He was satisfied. He was a man that enjoyed the simple things in life and being with his family.

He will be greatly missed by his wife and children. However, they know this is not goodbye, only until we meet again.

A small graveside service will be held at the Homer Cemetery on Meathouse Rd. in Pilgrim, Kentucky on Friday, September 4, 2020 at 11:00am for close family and friends.

In lieu of flowers, please send donations to the MS Society www.nationalmssociety.org, for further research and treatment. Arrangements are under the direction of the Callaham Funeral Home, Inez, KY.

Worked with Phillip at Martin County Coal. He was a very good person to work with, always friendly and funny. I will always remember his humble and gentle nature. i feel certain he is somewhere resting from his labours and will be a part of the first resurrection when Christ returns to call the Body of Christ which is the Church to forever be with Him.
