“ *There are no words to say what Pricie meant to our family. She became mommy to little ones who really needed her. She was the best to uncle SB and a good sister in law to daddy. Her heart was for everyone else and God first. I was proud to have her as an aunt and glad to have all her people become ours too. Remembering Sissy and the other girls. Love, A. Denise Evans*

“ To my Aunt Debbie and all of my family this dear sweet saint of God loved and cherished so dear I say I am sorry for the passing of this lady. She was a kind gentle loving soul and I really appreciated any time I got to see her. Remember one thing today that to be absent from this body is to be present with the Lord and Christians never die they only say goodbye. God bless and console you and give you peace I pray. In Jesus name. Amen
