“ *Ralph and I were close friends in 1971 and 1972. The last time I saw Ralph was just before I left for Germany in 1974. I learned a lot from my friend. The first Harley I rode belonged to Ralph. Ralph would fight at the drop of a hat and as best I could tell, he feared no one. Ralph was a lot of fun and he loved to party. I have lots of good memories of my friend and a few memories of his struggles with life and his inner demons. Rest well my old friend.... I have and will think of you from time to time.*
