Looking at these photos, it makes me wonder why someone so sweet, loving and good hearted can have so much heartache, pain, suffering and disappointments in life. He deserved so much better.

“Bubby, I won't say were, because you are the most kind and loving person I have ever known. You know I loved taking care of you when you were a little boy. I remember our walks down the tracks to Maytown to get your haircuts. It made me so happy just to sit there and watch you with that big smile on your face while Thermal cut you hair.. You are and will eternally be the best birthday present I will ever have. I'm going to miss the birthday calls, but I promise I will sing our song to you every year for the rest of my earthly life. I will never say goodbye. You are in my heart and there you will stay. I am so sorry for the all the sickness, pain,sadness and unhappy times in your life. You are my treasure Bub and I can still feel the warmth of your hand as I hold it. I know how much you love me and I love you back. So very much I love you back. I can never say it enough.

“ I am saddened to hear this news. I worked many years with Randy. He and I shared rides in a large v owned by the Issac boys from Magoffin Co. We worked up until 1985 at Elm in The Island Crk complex, then Randy and I rode together to Elm's job at Holden, WVa.

Randy you always kept the men laughing at work, such a funny uplifting person to be around.

I always felt you to be a very fine person who was always the first to offer help to those who needed it.

May God Bless all the family.
