“ After surfing the net, I just noticed this sad news. I am so sorry for those who survived this inconsolable loss including Lisa, Roger, Thomas and Timothy. Since Becky was from such a large family I would also like to send my condolences to Becky’s numerous siblings. Becky was my grandmother Ada’s double second cousin and years before my grandmother passed away she only had good things to say about Becky and the rest of Herbert and Nora’s family. Since Becky worked well into her golden years, obviously her work was her passion and she was truly an inspiration to others, especially to those who occasionally have a bad day, as so many of us do. Finally, after spending so much of her life toiling away, I am sure many would agree she is finally being rewarded for all her hard work with perpetual rest. May God bless Becky and her family.

Mrs. Rebecca Dials Smith is a lady who will be greatly missed, not only by her daughter Lisa and her sons Roger, Tom and Tim, and by her brothers and sisters but by her many, many friends. "Becky" was a woman who had many friends because she was so good and so friendly. "Becky" came from a large, hard-working family. Her father, Mr. Herb Dials, worked as an underground miner with my dear dad, Mr. Tom Kirk, at Peter Cave. My dad highly regarded Mr. Herb Dials, as did I. To this good family, Loyce and I are very sorry about your loss. May God bless all of you.
