“ Rosa was my legally adopted sister....if she wouldn't have taken me out of where I was, I probably wouldn't be alive today....Her mother adopted me, and raised me as her own.....and Rosa loved me, and watched out for me all of my life.....she always said that the kids that they helped in boyscouts, were her kids.....but all of us that grew up around her, treated her like a second mother.....and she always said that they were her kids.....she loved us all.....and We all loved her.....I'll see ya later sis.....
