“ I loved Rose I met here when I was working and she was someone that I always looked forward to seeing. I could've talked to her for hours and I did when I could. She was so sweet and caring and very proud of her family. She always had a smile and a story to share. My love and heart goes out to her family.

“ I met Rose when I first began teaching in Martin county. She was so good to me. I bought beautiful jewelry and perfume that she ordered for me. Ron was continously buying dolls, rings, perfumes, candy...whatever...we were so fond of the whole family. Wib was my principal for awhile..I loved both of them...still do...I will miss Rose...she will be remembered...God bless,,,

“ *Marge (Thelma) and I (Bill) got the news late. Our hearts are broken to learn the loss of a family member and a classmate. She was an example to follow. She set high goals and met them. May she be remembered for the good she has done. May God bless this family. Bill and Marge Combs Tuttle*

“ *Rosemary was valedictorian of the McDowell High School class of 1959. She was a friend, and while I was the slowest typist in Violet Moore's typing class, she was the fastest, typing about 80 words per minute. We lost touch after high school, but she will always remain young and vivacious in my mind. May God be with her family at this difficult time.*

“ I am so sorry to hear of Rosemary ' s passing. I can still picture her behind the dispensary, smiling, laughing, always cheery and greeting me when I came to the counter. I cannot count the times she helped me understand my medications, ask me how I was doing, and always there to listen and encourage (along with Bertha ' s funny remarks. We didn't always talk about medicine - many times we talked about things going on in our families' lives, I am praying for all of you, her family and my very dear friends. May God's loving hand be on you m With care and love.

“ I am deely saddened and send condolences to the Goble family. Rosemary always greeted me with a smile and superior help with all my prescription needs. In the late spring and summer, she always had a huge vase of gorgeous day lilies in the drug store. She loved her flower garden and always enjoyed sharing their beauty.
